

Urban Enterprise Zone

Message from the UEZ Director

There are many changes taking place at the Paterson *Urban Enterprise Zone* as the state transitions the program from state to local government. One of the changes that affect our members is the relocation of the local *UEZ* office. We are now located at 125 Ellison Street –Second Floor. If you have any questions please feel free to call us at 973-321-1212. Our new fax number is (973) 321-1359.

On July 1, 2011 the New Jersey *Urban Enterprise Zone* Program transitioned the business certification process whereby all certifications and Annual Reporting must be done on-line. You can go to the New Jersey Business Premier Center at: <http://www.state.nj.us> and register your Annual Report on-

line. The on-line program will also afford you the ability to pay your sales taxes, complete applications for new businesses and offer a business friendly way for you to secure and maintain *UEZ* benefits for your firm. Remember there are no fees, only incentives in becoming a member of the *UEZ*.

As we move forward, we will keep you posted on any new changes that affect your business. Look for the e-mail blogs that will be sent to you from time to time and don't forget to visit our website at www.patersonuez.com. If we do not have your e-mail address or you have changed it, please submit it to: wperez@patersonnj.gov.

We are continuing to offer revolving loans with a low-interest rate. If you are thinking about expanding your business or if you need new equipment please contact us for more information regarding the *UEZ* Revolving Loan Program.

During your Holiday season, which is just around the corner, please see the beautiful wreaths that are sponsored by the *UEZ* all up and down Main and Market Streets, while enjoying the 3 ½ % sales tax. The Holiday decorations are scheduled to be installed over the Thanksgiving Holiday. In addition, look for other amenities sponsored by the *UEZ* on Main Street. You will soon see that we've added a second street clock, another kiosk, newspaper racks, and within the next few months hanging baskets will adorn Main Street with beautiful vibrant flowering plants.

I want to take this opportunity to thank each of our *UEZ* businesses for your continued support and welcome our new businesses and to thank you for your patience during this time of transition.

–Jan Northrop

A Message from Mayor Jeff Jones

Greetings;

As Mayor, my visions for the City of Paterson include many exciting projects that I'd like to share with you, the business community. One key goal of this administration was to create "Paterson P.M." – A return of nightlife to make Paterson a family friendly place to visit as a nighttime and weekend leisure and tourism opportunity! To date, Paterson P.M. has been quite successful in bringing cultural functions to the city during the evening hours. People found out that they do not have to travel to New York and other places for evening entertainment. Look for many more Paterson P.M. activities that you can enjoy right here in your own neighborhoods.

When we mention "tourism," several Paterson sites are being targeted for revitalization. The Great Falls National Park, the Armory, Hinchcliff Stadium and our five bridges are among those sites. These are vital economic ventures that we are capitalizing on to exemplify and to restore Paterson to her "glory days" as a thriving metropolis for the arts & culture, manufacturing, world-class entertainment and tourism. I will keep you updated on our progress as we embrace our past and plan for our future.

Paterson has been chosen as one of four cities including Los Angeles, New York and Canada to host a Chinese delegation from China to join in discussions of returning manufacturing to our footprint. This visit will afford the group an opportunity to see firsthand our city and how the partnership can be developed between Paterson and China. As we scan Paterson's skyline, we continue to see great industrial factories and textile buildings that stand as monuments to our past prominence in the history of the United States. We are committed to revitalizing this city as we focus on the beautiful architecture found throughout our buildings, our five bridges and the landscape; for these are great attributes to build upon.

As we structure our plans for the city, we commit to positioning ourselves to be self-sustaining, to generate more revenue and to the creation of new jobs. One of the main features in accomplishing this is to produce our own bottled water. The water is developed through the Municipal Utilities Authority from a bottling plant in Blairstown, New Jersey. The first bottles of our Great Falls spring water is here and will be distributed throughout the city's vending machines, restaurants and in time, in our local retail stores. Revenue from the sale of Great Falls spring water will ultimately generate more dollars for the city and reduce taxes in the end.

In our efforts to ensure that the entire city is in concert, we are designing a series of head-to-head, quarterly roundtable discussions with realtors, developers, health officials, recreational leaders and others to further explore the growth and development of our city's "gems in the rough."

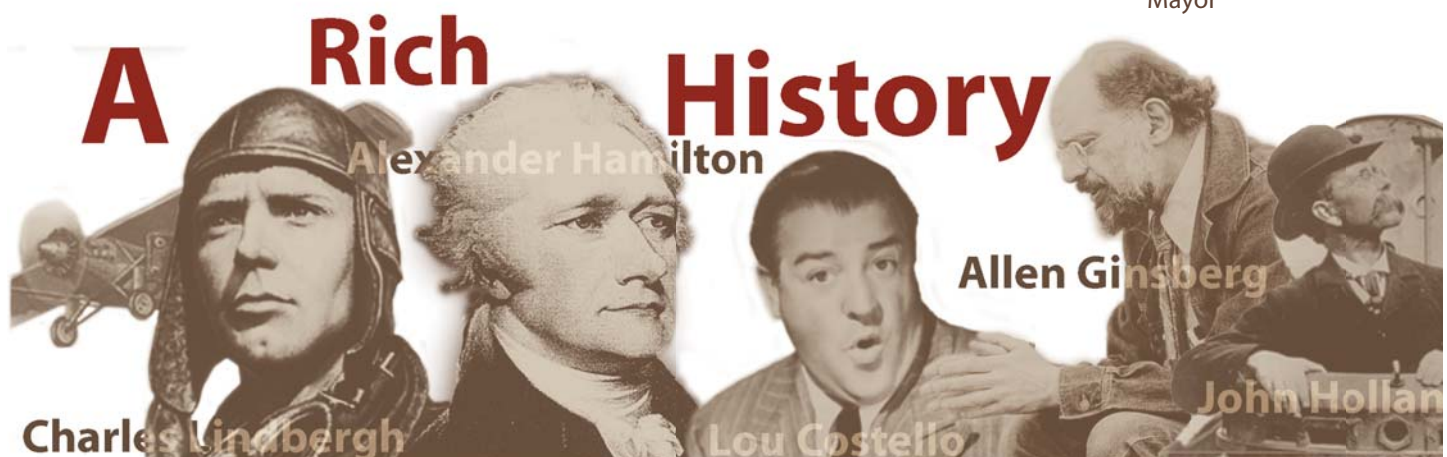

One of the catalysts in this economic strategy is the Paterson *Urban Enterprise Zone*. It is through the efforts of the *UEZ* that Paterson and the business community is able to benefit from the many economic development opportunities that they offer. Paterson's businesses are on the rise, attracted by our low 3 1/2% sales tax opportunity, as well as the economic benefits created by *UEZ's* innovative programs.

The excitement is contagious, so join forces with us to ensure that Paterson continues to be on the cutting-edge of revitalization and stabilization for the next century! I wish you much luck in your business endeavors and welcome you to work with us to reach our mutual goals for Paterson's rebirth, growth and development.

Sincerely,

Jeff Jones

Jeff Jones
Mayor

UEZ Members Make a Difference

President Barack Obama pays visit to Lowe's

Sunday, September 4, 2011 will go down in the history books for Lowe's Store Manager, Michael Bergamo and his team. That's the day that President Barack Obama made a surprise visit to Lowe's on Route 20 in Paterson. Below is a portion of Michael's conversation with the President.

"What a great two days here in Paterson. Lowe's helped over 3300 community members yesterday and those numbers were increased today. The President, Governor Christie and Congressmen Pascrell were welcomed to our store with cheers. They walked the volunteer line, shaking hands and taking pictures with community members and Lowe's associates. My conversation with the President lasted about five minutes. He thanked me for our efforts with the community and for giving back. He said: Michael, that was amazing that you got the store reopened and running the day after the storm... I said: Sir, we never closed. He said Michael let's take a picture together... He asked me to get some of my team members into the photo. He said: Michael look over into that camera, he's my guy. I thanked him so much for being part of our day. He said I will send you a copy of our photo, I've got your information. He then proceeded to meet and greet the rest of the crowd, taking pictures and shaking hands. He left to a roar of applause."

During the aftermath of Hurricane Irene, the Lowes' team joined Rev. David King of the Paterson Seven Day Adventist Church with "Feed the Children" project and set up the relief site in the parking lot at Lowe's. Together they provided thousands of residents with three truckloads of cleaning supplies, food and other emergency items. "To give back to the community of that magnitude, was a blessing for us," said Mr. Bergamo.

When asked about President Obama's visit, he stated, "The President's visit was not political, he was just being a good human being. For one-half hour he chose to be a part of our community. When 95% of your associates are residents of Paterson, why not give back to this community? It's the right thing to do. The success of the store is a reflection of community support and a great team of associates." Our hats are off to the fine people at Lowe's for a job well done.

Trolley lends a hand . . .

The UEZ Trolley helped transport the flood victims from local shelters to various stores to purchase food and supplies in the aftermath of Hurricane Irene. We are very grateful to the hard work and dedication of UEZ Trolley driver, Ileana Roger and the Paterson Parking Authority. The UEZ Free Trolley Service began last year to help promote economic development within the UEZ business districts, and continues to provide free service to downtown Paterson, the Farmers' Market and the Route 20 Corridor. The real test of the city's fortitude was exemplified during this crisis, as people from all walks of life came together as true Americans to lend a helping hand to those that were affected by the devastating flood waters. Many thanks from the entire city for a job well-done.

UEZ Trolley driver, Ileana Roger

SBDC activities during Hurricane Irene Disaster

The recent flooding from Hurricane Irene proved to be devastating for the City of Paterson in so many ways, and the negative impact it had on businesses was very hard to imagine. Although City offices had to close due to the flooding, the Small Business Development Center (SBDC) located at 131 Ellison Street remained open to answer phone calls and see Paterson business owners who were desperately seeking answers on where to turn for disaster loans and insurance questions. SBDC employees were also proactive in distributing FEMA forms to Paterson residents when they were looking for information.

As a result of all the questions, Kate Muldoon, Regional Director of the SBDC organized an all day open house for businesses that need assistance through the disaster, particularly in the area of financing. Although many businesses did not have flood insurance, they needed to continue operations. Most of the companies who came in during the day were quite substantial in size, and most seemed to be exploring all the resources available to them. Paula Star, Loan Outreach Coordinator for UCEDC was on hand to discuss hurricane relief microloans up to \$50,000, and Small Business Administration (SBA) information was also distributed for those needing additional relief funding.

SBDC Consultants, Roberto Alferez and Bob Hille provide counseling to a Paterson businessman.

Later that week, the SBDC director joined Freeholder Bruce James, Passaic County Economic Director Deborah Hoffman, SBA District Director Alfred Titone, and Department of labor Business Representative Don Escue to tour seven businesses severely flooded in the Bunker Hill area of Paterson.

Continuing with our efforts to assist businesses, the SBDC cosponsored a special meeting of elected officials, federal, state and local agencies for the business community that will provide information on grants, loans and the types of assistance available to your company to assist business owners during this difficult time. The event was held on October 3 from 5:30 PM to 8:00 PM at Passaic County Technical Institute Auditorium, in Wayne, NJ.

Although the flood waters have receded, there is still much work to be done for many Paterson businesses. The SBDC is available to assist your business in many ways such as individual counseling and training programs, legal contracts, HR issues, marketing, and now special programs are being developed for disaster recovery plans.

If you should need any assistance for your business, contact the SBDC at 973-754-8695.

Additional services you should know about

If your business has experienced any issues with the flood, you can get help by reaching out to the Workforce Investment Board of Passaic County (WIB). They have federal funds available to hire temporary staff to assist with the clean up. If you need your building repainted, or debris picked up, etc., WIB will pick up the cost of the person hired as long as the damage was caused by the flood. If you need employees in general for job opportunities that you currently have, they can also assist you with experienced personnel. For more information call Natalie Provenzale, Director at (73) 569-4020 or the local WIB office at (973) 340-3400 ext. 7212.

If your business needs assistance with any graffiti problems, you may contact the **UEZ** at (973) 321-1212 ext. 2276 and ask for Penni Forestieri. The **UEZ** is partnering with the Clean Communities Department to alleviate graffiti throughout the City.

About the UEZ Program

The *Urban Enterprise Zone (UEZ)* is a state-designated program to alleviate unemployment in approximately 37 municipalities throughout the state of New Jersey. The City of Paterson was designated as an *Urban Enterprise Zone* in 1994 and plays a vital role in the restoration of Paterson. The sales tax collected in Paterson has provided the *UEZ* with the funds to administer 71 economic development projects. The following list is just an example of the programs and projects which offer a great number of advantages to *UEZ* members:

- *Business Improvement Grants*
- *Sidewalk Matching Grants*
- *Revolving Loan Program*
- *Video Surveillance Cameras*
- *Main Street Streetscape*
- *Small Business Development Center*

Today, Paterson retains its proud history, and with the recently designated Great Falls National Park, Paterson is making a true transformation to the economic engine that will generate hundreds of jobs and millions of dollars for the city. Central to this revitalization is the *UEZ* Program, enabling *UEZ* retail members to charge 3½ % sales tax giving them a competitive edge over other businesses. ***All UEZ business members however, benefit from the tax exemption allowed for operating supplies.*** 100% exemption from the NJ State Sales and Use Tax for the purchase of all tangible property (excluding motor vehicles) includes the following:

- *Office Supplies*
- *Office Equipment*
- *Services, including installation*
- *Building Materials*
- *Repairs and improvements to existing properties*

Business Improvement Grants

Mario Plumbing Supply

Since 1984 Mario Plumbing has been a fixture on Broadway & Auburn Street, providing wholesale and retail plumbing and heating supplies to both commercial and residential clients. Mario Plumbing joined the UEZ in 2005 and has participated in the UEZ Business Improvement Grant by upgrading their façade, installing new windows, new decorative iron fencing and landscaping.

Located at 240 Broadway this retail company has been in business for over 30 years, and they offer a wide variety of name brand supplies such as Kohler, etc. Come in and let their friendly and knowledgeable sales technicians help you with all your plumbing and heating needs. You can reach them Monday through Saturday from 6:00 a.m. – 6:00 pm. Stop by or give them a call at 973-881-7600.

Business Improvement Grants

Funeraria Alvarez De Paterson

Funeraria Alvarez De Paterson is owned and operated by Mr. Aldo Virginio and is located at 267 Park Avenue at the Corner of Madison Avenue. This business offers professional, caring funeral services for all residents in and around the Paterson Community, and has another location in Passaic. Funeraria Alvarez De Paterson has been serving the community since 2007 at the Paterson location, and has been a member of the **UEZ** since 2008.

They have upgraded the property by replacing the brick steps and retaining walls as well as adding new sidewalks to give it a fresh look. After sustaining extensive damage in a recent fire, they have repaired the front door, columns at façade, repainted existing metal fencing, replaced damaged canopy and installed new landscaping.

Custom Laminations, Inc. Hosts African Dignitaries

On September 14, 2011 Custom Laminations, Inc. hosted a contingent of dignitaries from the Republic of Benin, Africa. Benin is a small country located south of Nigeria in Africa. Lou Weiss, Chairman of the Board of the Commerce & Industry Association of NJ, led the contingency to various businesses in the Paterson area and specifically chose Custom Laminations as an innovative business that may provide an opportunity for partnerships between the two entities. With Custom Laminations being in the forefront of their industry and with Benin's ability to weave colorful cloths, this may be an area that could open the door for export/import opportunities in the future.

Custom Laminations, Inc, a family-owned business incorporated in 1969, has been a member of the Paterson **UEZ** since 1998. Custom Laminations, located at 932 Market Street in Paterson, specializes in material solutions for commercial and residential architects, interior designers and specifiers. They offer a broad selection of services that range from simple-one-pass coatings to custom engineered finishing techniques, as well as complete design-to-installation, site-specific wall coverings.

L-R: Jan Northrop, UEZ Director; Jamie Dykes, President of Greater Paterson Chamber of Commerce; Christopher Adjovi, Inspector of Customs; Gerard Y. Adounsiba, Mayor of Adjohoun, Republic of Benin; Romeo Zamba, Coordinator/Translator; Lou Weiss, Chairman of Commerce & Industry Association of NJ; Habib Whannou, President of AXE Development; Sehou Djossou, Deputy Mayor of Adjohoun, Republic of Benin; Daren Silverstein, President of CLI Group; Paul Harencak, GM, CLI Group.

Classic Auto Body shows the true spirit of America . . .

On Sunday, September 11th, Mario Tommolillo, owner of Classic Auto Body and a UEZ Advisory Board Member, hosted a memorial service commemorating the 10th Anniversary of 911. Advisory Board Chairman, Rev. Andrew Bennett presided over the ceremony offering prayers for the families of the victims and the many police, fire and emergency personnel who lost their lives in the most devastating terrorist attack that stunned the world. The memorial service was held at 33 Beckwith Avenue where a majestic 60' x 20' large red, white and blue mural is displayed.

On Tuesday, September 27th the Mural was officially dedicated as a memorial to the 911 families in World Trade Center bombing. We were honored to have Congressman William Pascrell and the Commander of the American Legion, Harold Liberatore and members of his brigade to be among the invited guests.

The idea for the mural was the brain-child of Mr. Mario Tommillo, who commissioned the artist, Mr. Abdul Gonsalves, to paint a mural depicting a sense of pride, unity and patriotism of all Americans. Mr. Tommolillo said he was moved to do this because this is something that we all lived through, and it shows who we are as Americans. The first picture on the mural is the American eagle, the second is the hands of fellow Americans working in unity, and the third scene is the tablets in the hands of the Statue of Liberty which reads "One nations under God", on which our country was founded.

Mr. Gonsalves, known as PAWS in the artist world, said he was honored to be chosen by Mr. Tommolillo to undertake this project because of his love for Paterson and his respect for Mr. Tommolillo. Mr. Gonsalves moved back to Paterson from Cleveland, Ohio in 2002 and was commissioned to paint the mural in August, 2011 and it took him about 40 working hours to complete. He envisions doing more murals in Paterson, since he is a strong advocate for the Arts.

Classic Auto Body has been a member of the UEZ since its inception in 1994 and has been a pillar in the Paterson business community since the early 1980's. A special thanks to Mario and his staff for their continued support of the Paterson community.

*Memorial Service Commemorating the
10th Anniversary of 911*

*Dedication Ceremony of the 911 Mural
at 33 Beckwith Avenue*

*Councilman Andre Sayegh pays tribute to

Edible Arrangements

DECA THREE, LLC t/a

Edible arrangements located at 171-175 Market Street joined the **UEZ** in June, 2010, and has experienced a great deal of success at this downtown Paterson location. They participated in the **UEZ** façade program by upgrading the building with the installation of a L.E.D. illuminated sign.

"At Edible Arrangements our mission is simply to WOW you! We live by this mission statement everyday to ensure that we WOW each and every Edible Arrangement customer," states partner Mark Anthony Chalas.

Edible Arrangements has a fresh fruit bouquet to make any occasion special-from birthdays, anniversaries and congratulations to business events and client gifts. Their bouquets are made fresh with premium fruit arranged in a variety of stunning displays. Customers can visit our website at nj1144@dofruit.com to order on-line, or call us at 973-278-1410.

Marshall's

On March 17, 2011 Marshall's Stores opened its newest retail store located in the Center City Mall at 301 Main Street in downtown Paterson. This location became a member of the **UEZ** in April, 2011.

This new store is complete with designer fashions for up to 60% off department store prices, fabulous new departments like CUBE and Shoe Mega Shop; single line checkout for faster shopping and bright and fresh in-store experience every time you shop. "Never Pay Full Price for Fabulous."

D & G Petite Pups, LLC

When you walk into D & G Petite Pups store, you will encounter a variety of adorable puppies, all coming to life to greet each visitor. The brightly-lit facility is conducive to spotlighting these furry critters, who are begging to become a part of your family. D & G Petite Pups offers a wide variety of doggie-needs, toys and accessories for all dog lovers, ensuring that your new pet will have all the amenities they need for a safe, happy and healthy life.

D & G Petite Pups is located at 380 McLean Blvd. at the Rt. 80 juncture. They became a member of the Paterson **UEZ** in July, 2010.
